

SUBJECT: S. 1264 - Federal Acquisition Act

3. In summary, Mr. Walsh appeared to be very sympathetic to our concerns. We are to provide him with comments on our problem areas and appropriate language for insertion in the legislative history of the bill which will set forth the proposition the CIA unclassified association acquisitions are exempt from sealed bid procedures. Further, this language will provide that the publicity requirements of Section 202, Section 302, Section 304 and Section 512 of the bill do not apply to acquisitions by the CIA. The principal issue to be addressed is Section 306(b) involving the audit rights of the Comptroller General of the United States.
